Memorandum

Date: March 31, 1997

To: CALFED Management Team

From: Lester A. Snow, Executive Director
CALFED Bay-Delta Program

Subject: "Emergency" CALFED Management Team meeting

The CALFED Management Team meeting co-chairs, Michael Mantell, Roger Patterson and Patrick Wright, have called a special meeting of the Management Team for Thursday, April 3 at 3 p.m. in Room 1142 of the Resources Building, 1416 Ninth Street, Sacramento.

The purpose of this meeting is to discuss spring pulse flow requirements on the San Joaquin River and the Delta Smelt Biological opinion. The Ops Group at their March 27, 1997 meeting could not reach a decision regarding the CVP and State Water Project for this spring's condition, and as such, have elevated the decision to the Management Team.

Please confirm your attendance at this important meeting with Sharon Gross at (916) 657-2666. If you wish to participate on April 3 via conference call, the dial-in number is (916) 657-4111.
